# A&A Wrecker & Recovery Busted for 2nd Time by TDLR

**Author :** Pat Johnson

**Categories :** [Basic](#)

**Date :** October 9, 2012

Once again, Austin based A&A Wrecker & Recovery has been busted after a joint investigation by law enforcement and TDLR. This latest towing scam has wrecker drivers for this company towing vehicles prior to the authorized times to tow from the 1200 block of East 5th Street.

The motoring public is once again reminded to watch where you park and question the reason your vehicle was towed, if from private parking lot.
