
Check for Identification at Storage Facility

Author : Pat Johnson

Date : January 31, 2014

If the employee at the storage facility does not have this license on the left, you should file a complaint, Occupations Code – 2303.1015(a), 85.204(b)) to work there and take your money! Call 911 so that person can be ticketed!

*** If possible, record all audio of conversation between yourself and the storage facility employees, it will be helpful should you file a complaint with TDLR or law enforcement. You may also submit photos and recordings to:
